Re: First Student, Inc.
Cases 06-UC-154144 and 06-RM-154166

EXTENSION OF TIME TO FILE REQUEST FOR REVIEW

The due date for the receipt in Washington, D.C. of the Request for Review of the Regional Director's Decision, Order Dismissing Petition in Case 06-UC-154144 and Direction of Election and Order Partially Dismissing Petition in Case 06-RM-154166 is extended to **OCTOBER 9, 2015**. This extension of time applies specifically to the Regional Director's dismissal of the petition in Case 06-UC-154144. Further, this extension of time applies to all parties.

With respect to the Regional Director's partial dismissal and direction of election in Case 06-RM-154166, an extension of time to a date certain is not necessary at this point in the proceeding, because there is no definite due date for the filing of a Request for Review on this portion of the case yet, as a request for review may be filed with the Board at any time following the issuance of the Regional Director's decision directing an election until 14 days after a final disposition of the proceeding by the Regional Director. Of course, considering that the Regional Director issued a single decision covering both of these petitions, it is anticipated that any Request for Review filed by any party will cover both cases, if warranted.
